Subject: Help Defeat Trump in Florida
Or A Personal, Politically-Related Request.

Dear ,

I hope that you are safe and well.

I know that you are serious about wanting to defeat Trump and all that he stands for. As a resident of a blue state, you can help make it happen by phoning Florida Democrats and urging them to sign up to **Vote by Mail**.

As you know, with 29 electoral votes, Florida is the single most important competitive state in this year's election. What happens in Florida will truly impact the future for our nation and our families.

We know that people who sign up for Vote by Mail are much more likely to actually cast their ballot. And Vote by Mail is safe and convenient.

On the form that opens, "Remote Phone Banking Sessions," sign up for a date when you are available to receive a phone call from the Sarasota County Democratic Party.

On that date, the Coordinator of our Remote Phone Bank will provide you with instructions on how to make your calls to Florida Democratic voters.

She will also provide you access to a database of voters – registered Democrats in Sarasota -- with their telephone numbers. You will be given a script that you can choose to follow when you get started.

You can make calls whenever and for as long as you choose to do so. If you try doing this and don't like it, you can stop at any time.

Best regards,
