

VOLUNTEER TODAY!

It's easy! Tell us how **you** want to help.

For example:

- ☐ Place a **sign** in your yard or your business's yard.
(We will provide the sign)
- ☐ Provide **transport**: drive volunteers around neighborhoods, pick up & drop off materials, and transport voters to & from the polls on Election Day.
- ☐ **Host** a coffee or cocktail hour for neighbors & friends.
Wine and cheese pairs well with Democratic political activism!
- ☐ Participate in the **Neighbor-to-Neighbor Program** by contacting an assigned group of people three times before November. (We provide training, contact lists, and scripts.)
- ☐ Participate in door-to-door **chats & literature drop-off**.
We provide training, lists, & scripts, & we will walk together.
- ☐ Help Katie and Maureen develop winning **grass-roots strategies**.
- ☐ Write **Letters to the Editor**.
- ☐ Develop an **email newsletter** or manage our **social media** network.
- ☐ Make Get-Out-&-Vote **phone calls** from your home or our office. (We provide lists and a scripts.)
- ☐ Help **prepare mailers** from your home, our home, or our office.

We encourage people of all levels of experience & fields of interest to join us:
